

Mid-Shore Community Foundation

In 1961, Joseph S. Mansfield, Sr. established Mansfield & Sons, Inc., which became the region's leading wastewater treatment company. He was an innovative businessman who, along with his wife Margaret worked vigorously with health and environmental officials to improve septage waste disposal methods for rural Talbot and Caroline Counties.

Joseph S. Mansfield Sr, died in 1999. A Memorial Fund was created at the Mid-Shore Community Foundation to benefit and support potential organ transplant recipients.

**The Mid-Shore Community Foundation serves Talbot, Caroline,
Queen Anne's and Kent Counties.**
